

# EVoline® FrameDock

## Individuality ex works.

The EVoline FrameDock mounts flush with horizontal or vertical surfaces, be it a desktop, a worktop in the kitchen, a wall or the lateral surface of a piece of furniture. The low installation depth facilitates the choice of location.

*Freely configurable according to your wishes.*

## Always exchangeable.

Interchangeable modules make it timeless and it grows with the requirements. Fast and easy mounting or dismantling.
