Suspension Upgrades and Components - Lift Kits

A popular enhancement to vehicles is larger wheels and tires. Mopar offers 2" and 4" lift kits to allow the proper clearance to fit larger wheels and tires and improve ground clearance. Our 2" lift kit is a complete lift suspension system. Included are newly-designed coil springs which are tuned to the vehicle weight and then two-step painted for maximum chip resistance. To control the ride, we have teamed with Fox Shocks to provide a set of shocks tuned specifically for vehicles with oversize tires. By retaining the factory geometry, the ride and handling are excellent. With our lifts you get premium components.

Bed Protection - Spray-On Bedliner Conditioner and Small Repair Kit

Proper care and cleaning of Spray-On Bedliners is periodically required. During ownership, the shine and luster of the Spray-On Bedliner can fade from oxidation, road dirt, heavy-duty hauling and hard water stains. Weathering and UV exposure will lead to fading and loss of gloss over time. To help keep your customer's bedliner looking and performing well, rinse all loose dirt from truck bed and clean with Mopar® Spray-On Bedliner Conditioner at least twice a year.

For small Spray-On Bedliner repairs, a 200 ml Dual Cartridge of the Spray-On Bedliner material is available. Small Repair Kit also includes mixing tip and a small textured pad.

MOPAR® PARTS & ACCESSORIES LIMITED WARRANTIES

MOPAR® BASIC LIMITED WARRANTY

Subject to the terms and exclusions below, Mopar® Parts and Magneti Marelli Parts Offered by Mopar® sold in Canada, on or after October 1, 2014, and installed by an authorized FCA Canada Inc. dealership or studio are warranted against defects in workmanship or materials for 24 months for both parts and labour. Mopar Parts sold wholesale to an automotive service facility and installed by a licensed technician are warranted against defects in workmanship or materials for 24 months/unlimited kilometres for parts and up to \$150.00 in labour reimbursement*. Mopar Parts and Magneti Marelli Parts Offered by Mopar sold over-the-counter for vehicle owner or do-it-yourself installation are warranted for 24 months/unlimited kilometres for parts exchange only. Warranty commences on the retail date of purchase, or the installation date by an installer. Mopar Parts acquired or installed outside of Canada are not covered by the Mopar Basic Limited Warranty.

Mopar Parts and Magneti Marelli Parts Offered by Mopar sold in Canada, before October 1, 2014, are covered by the 12-month/unlimited-kilometres warranty. There is no labour allowance for parts sold wholesale to an automotive service facility.

Mopar Parts which are replaced on an FCA Canada Inc. vehicle and still covered by the FCA New Vehicle Basic Limited Warranty are warranted for the remainder of the New Vehicle Basic 3-Year/60,000-Kilometre Limited Warranty, or for the Mopar Basic Limited Warranty from the original installation date, whichever is more favourable to the customer.

The Mopar Basic Limited Warranty covers the cost of towing a vehicle to the nearest authorized FCA Canada Inc. dealership if the failure of a covered part causes the vehicle to be inoperative. If a Mopar Part is installed in an FCA Canada Inc. vehicle by an authorized FCA Canada Inc. dealer, and if, while that part is still under warranty, it causes other parts to be damaged or to fail, those other parts will be repaired or replaced under warranty, regardless of whether the other parts were covered by an FCA warranty at the time of failure.

These warranties are the only express warranties made by FCA for Mopar Parts and Accessories and Magneti Marelli Parts Offered by Mopar. Except where prohibited by law, this warranty is the sole and exclusive remedy. No person, including a dealer or employee of FCA Canada Inc. or its affiliated corporations, has the authority to vary or change these warranties. In order to validate warranty coverage, the customer must present the Original Bill of Sale.

Mopar Parts sold with a separate manufacturer's warranty are not eligible for the Mopar Basic Limited Warranty. Warranty information on these parts is provided with the part or in its packaging. Examples include but are not limited to: Garmin Navigation, TomTom Navigation, Katzkin® Leather, Koss Headphones, Truck Bedliners, Master Shield Rust inhibitor, Paint Sealant and Fabric Protection.

Labour Reimbursement* Installers are eligible for labour reimbursement up to \$150.00. Installer warranty and labour reimbursement requests must be supported with the following documentation:

- Repair order must include the Vehicle Identification Number (VIN) and repair date
- Warranty concern
- Diagnostic steps taken to correct concern
- Labour time is calculated at installer's hourly rate multiplied by time taken to complete repair
- Labour time to be supported by a published time standard

MOPAR® PARTS & ACCESSORIES LIMITED WARRANTIES

MOPAR® BATTERY WARRANTY

Effective January 1, 2013, Mopar® batteries are covered by the Mopar Battery Warranty, which warrants Mopar batteries against defects in material and workmanship during the Replacement Period on a replacement basis only, with the pro-rata portion being removed.

The Mopar Battery Warranty does not cover discharged product, damage to the battery caused by abuse or neglect, or damage to batteries which are opened or tampered with in any manner including the introduction of any special additives or electrolyte into the battery. In addition, use of a battery in a non-specified application may void the limited warranty.

The duration of the Replacement Period is specified on each Mopar battery. The Replacement Period start date is determined by the date on the Original Bill of Sale to the consumer.

If a battery is returned within the Free Replacement Period (calculated from the date of sale) for failure to perform due to defects in materials or workmanship, the customer will be provided a new replacement battery of the same type at no charge.

***NOTE:** *This limited warranty entitles the customer to a replacement battery in the event of defects; however, the consumer or end user may also have other rights which vary from province to province.*

MOPAR COLLISION REPLACEMENT PARTS LIFETIME LIMITED WARRANTY

FCA Canada Inc. warrants to the original purchaser only Mopar replacement sheet metal products, including plastic bumper covers and grilles, against defects in material or workmanship for as long as the original purchaser owns the vehicle on which the part is installed.
