ART CRYSTAL TOMES

SINCE 1989

Exclusive Czech crystal chandeliers with a long tradition

Our company was established in 1989 by Mr. Tomeš. This family owned business, located in the heart of the Crystal Valley, follows up on the tradition of Czech glassmakers and production of crystal chandeliers which dates to 1724.

We specialize in classic crystal chandeliers, brass chandeliers, and modern lighting. We provide a complete supply – from the initial design of the chandelier through manufacture to the final installation of the chandelier.

Our products are supplied to households, hotels, ceremonial premises, theatres, castles, and churches.

Only first-class materials are used to maintain the traditional manufacture of the lighting.

Chandelier trimmings are of the highest quality possible and are manufactured on the latest grinding machines. Those trimmings have a high gloss and refract daylight and artificial light into colorful spectrum. Our goal is to bring a beauty and joy of our Czech crystals to your household anywhere in the world.

owner of the company
