Life& Light Evolution

Life evolution

Fabas
L U C E

 **Fabas**
L U C E

Un assortimento rinnovato di prodotti tecnici dove ogni articolo è stato progettato e sviluppato con attenzione, combinando le tecnologie più avanzate con un design raffinato ed elegante. Ma l'evoluzione non riguarda solo la nostra offerta tecnica.

Siamo lieti di presentarvi anche il restyling del nostro logo aziendale, un simbolo che rappresenta il nostro percorso di crescita, di cambiamento e sviluppo. Il nuovo logo riflette la nostra identità rinnovata, mantenendo intatti i valori di qualità, passione, affidabilità e innovazione che ci hanno sempre contraddistinto.

A renewed range of technical products where every item has been engineered and carefully developed, combining the most advanced technologies with a refined and elegant design. But evolution does not only concern our technical offer.

We are pleased to introduce you also the restyling of our company logo, a symbol that represents our path of growth, change and development. The new logo reflects our identity renewed, keeping intact quality values, reliability and innovation that they have always distinguished us.

Light evolution

L'evoluzione della luce è nella rinnovata varietà di prodotti che segna un punto di svolta per la nostra azienda, un progetto che incarna la continua ricerca di eccellenza e innovazione.

Questa nuova visione porta alla realizzazione di due cataloghi coordinati e complementari per una illuminazione a 360°: **decorativa e tecnica.**

The evolution of light lies in the renewed variety of products that marks a turning point for our company, a project that embodies the continuous search for excellence and innovation.

This new vision leads to the creation of two coordinated and complementary catalogues for all-around lighting: **decorative and technical.**

Innovation meets sustainability

La nostra azienda crede nell'importanza del rispetto per l'ambiente ed è per questo che ha deciso di introdurre nuovi cambiamenti per la sua salvaguardia. Ecco come:

- PACKAGING

A partire dai nuovi modelli e con un processo che toccherà rapidamente anche i prodotti già in produzione, gli imballi saranno realizzati con cartone riciclato o riciclabile, privilegiando l'utilizzo di carta.

Ove non sia possibile verranno utilizzate soltanto plastiche riciclabili, mentre i cartoni usati vengono già riciclati e triturati utilizzandoli come riempimento dei cartoni master per le spedizioni evitando quindi l'utilizzo di bolle aria in plastica.

- PEZZI DI RICAMBIO

La nostra azienda assicura i pezzi di ricambio dei propri prodotti aumentandone la vita media e rimandando lo smaltimento del prodotto.

- IMPIANTO FOTOVOLTAICO

La nostra sede di Brugherio è interamente alimentata da pannelli fotovoltaici che permettono di evitare emissioni annuali di oltre 30 tonnellate di CO₂ un equivalente di 1.411 nuovi alberi piantati.

Our company believes in the importance of respecting the environment and this is why it has decided to introduce new changes to safeguard it. Here's how:

- PACKAGING

Already started with the new models and in a process that will quickly touch products already in production, packaging will be made from recycled or recyclable cardboard favoring the use of paper.

Where this is not possible, only recyclable plastic components will be used, while the used cartons are already recycled and shredded using them as filler for the master cartons for shipments, thus avoiding the use of plastic air bubbles.

- SPARE PARTS

Our company ensures spare parts for its products by increasing their average life and postponing product disposal.

- PHOTOVOLTAIC PLANT

Our Headquarter in Brugherio is entirely powered by photovoltaic panels, which avoids annual emissions of more than 30 tons of CO₂ as equivalent of 1.411 new trees planted.

Emissioni di CO₂ evitate
Avoided CO₂ emissions

30,73 t

Alberi Equivalenti piantati

1.411

Sempre attenti alla scelta di materiali naturali, oltre a legno, vetro, ceramica, la gamma di prodotti si arricchisce della plastica vegetale PLA: per condividere la scelta sostenibile di Fabas, basta cercare il bollino PLA sul catalogo.

**Carola,
Cone,
Lisa e
Nadine:**

Consistently opting for natural materials, in addition to wood, glass, ceramic, our product range is now enhanced with PLA plant-based plastic: to share the sustainable choice of Fabas, simply look for the PLA sticker in the catalogue.

**Carola,
Cone,
Lisa and
Nadine:**

Le nostre lampade sostenibili realizzate in stampa 3D, uniscono forme eleganti e funzionalità, rispettando l'ambiente in quanto realizzate con plastica vegetale PLA.

Scegliendo le nuove lampade PLA contribuirete a promuovere un'economia circolare, riducendo la dipendenza dalle risorse non rinnovabili grazie a un design duraturo e più leggero per l'ambiente.

I vantaggi del PLA:

- proviene da fonti rinnovabili dell'industria alimentare
- è compostabile
- capacità di degradarsi in modo naturale nel tempo
- riduce l'impatto ambientale rispetto alla plastica tradizionale
- progettato e prodotto in Italia

Our sustainable 3D-printed lamps combine elegant shapes with functionality while respecting the environment, as they are made of PLA plant-based plastic.

By choosing our new PLA lamps, you will help to promote a circular economy, thus reducing dependence on non-renewable resources thanks to a long-lasting and more eco-friendly design.

The advantages of PLA:

- it comes from renewable sources in the food industry
- it is compostable
- it has the ability to degrade naturally over time
- it reduces the environmental impact compared to traditional plastic
- it is designed and manufactured in Italy

Upgrade your style!

Fabas Luce continua a evolversi con il lancio del nuovo catalogo. Abbiamo posto particolare attenzione alla presentazione dei nostri prodotti, ampliando il numero di ambienti in cui le nostre lampade sono inserite. Accresciamo l'attenzione per i dettagli, i materiali impiegati e i miglioramenti tecnici come i nuovi rosoni, il cambio temperatura colore nei circuiti LED e le nuove funzionalità delle piantane LED. Questo approccio mette in risalto ogni singolo modello, offrendo una visione completa e affascinante. Il risultato è un catalogo che non solo esibisce la bellezza e la qualità delle nostre soluzioni di illuminazione, ma lo fa in modo coinvolgente e pratico, pensato per ispirare e soddisfare le esigenze di ogni cliente.

Fabas Luce continues to evolve with the release of our new catalogue. We have placed particular emphasis on showcasing our products, expanding the number of environments in which our lamps are featured. We have heightened our focus on details, materials used, and technical enhancements such as the new ceiling cups, color temperature adjustment in LED circuits, and the new functionalities of LED floor lamps. This approach highlights every individual model, providing a comprehensive and captivating view. The result is a catalogue that not only displays the beauty and quality of our lighting solutions but does so in an engaging and practical manner, designed to inspire and meet the needs of every customer.

Il nuovo catalogo decorativo di Fabas Luce è stato progettato per offrire un'esperienza di consultazione intuitiva e funzionale. I prodotti sono organizzati per applicazione, con collegamenti diretti alle proposte complementari della stessa collezione, semplificando così la selezione e la combinazione degli articoli.

The new Fabas Luce decorative catalogue is designed to offer an intuitive and functional browsing experience. Products are organized by application, with direct links to complementary proposals within the same collection, making it easier to select and combine items.

Kit Luci ...evolution

Un concept versatile, creativo, contemporaneo e sostenibile. Crea la tua sospensione personalizzata con il nostro innovativo sistema modulare KIT LUCI, che offre **oltre 4000 combinazioni possibili!**

Il sistema modulare si divide in due categorie di prodotti: KIT LUCI EDISON
KIT LUCI LED

A versatile, creative, contemporary and sustainable concept! Create your own customized suspension with our innovative KIT LUCI modular system, which offers **over 4000 possible combinations!**

The modular system is divided into two product categories: KIT LUCI EDISON
KIT LUCI LED

KIT LUCI LED

KIT LUCI EDISON

1. Scegli il rosone
2. Scegli il vetro (che include il portalampada e il cavo lungo 3,5 metri)
3. Crea la tua sospensione

Per le sospensioni con lampadina E27 o E14, puoi scegliere:

- Diverse forme di vetro già fornite con il portalampada e il cavo di 3,5 metri.
- La tipologia di rosone che preferisci per creare la tua sospensione.

1. Choose the ceiling cup
2. Choose the glass (which includes the lampholder and cable with a length of 3.5 meters)
3. Create your suspension

For suspensions with lampholder E27 or E14, you may choose:

- Various glass shapes already supplied with the lamp holder and the 3.5 meter cable.
- The type of ceiling cup you prefer for your suspension.

1. Scegli la montatura completa
2. Scegli il paralume di metallo o il vetro
3. Crea la tua sospensione
4. Seleziona la temperatura colore che preferisci

Per tutte le sospensioni con circuito LED integrato, puoi regolare la temperatura colore 2700K/3000K/4000K secondo le tue necessità o le tue esigenze. In questo concept puoi scegliere:

- Montature complete (esclusi vetro o parabola in metallo), disponibili in due potenze diverse, 8W e 14W.
- La tipologia di vetro e/o parabola in metallo.

1. Choose the complete frame
2. Choose the metal shade or the glass
3. Create your suspension
4. Choose your desired temperature light color

For the whole range of suspensions with integrated LED circuit, you can adjust the colour temperature 2700K/3000/4000K according to your needs or requirements. In this concept you can choose:

- Complete frame (excluding glass or metal shade), available in two different wattages, 8W and 14W.
- The type of glass and/or metal shade.

TECHNICAL INFORMATION:

Per facilitare la navigazione del catalogo lo abbiamo suddiviso in sezioni chiare e intuitive con elementi grafici fissi per la lettura delle caratteristiche tecniche del prodotto. In questa pagina una presentazione dei punti più importanti.

To make the catalogue easier to navigate, we have divided it into clear and intuitive sections with fixed graphic elements for reading the technical characteristics of the product. On this page a presentation of the most important points.

- 1 Capitolo di riferimento
Reference chapter
- 2 Nome collezione, codice di riferimento e descrizione materiali
Collection name, reference code and material description
- 3 Qui trovi i rimandi ad articoli complementari per applicazione, ma della stessa collezione
Here you will find references to complementary items for application, but in the same collection
- 4 Nome e codice collezione
Name and collection code

- 5 Disegno tecnico con quote
Technical drawing with dimensions
- 6 Tabella con caratteristiche tecniche del prodotto e tutte le informazioni necessarie alla vendita e utilizzo. I vari simboli sono spiegati nelle pagine finali del catalogo
Technical characteristics table of the product and all information necessary for sale and use. The different symbols are explained in the last pages of the catalogue

Montatura in metallo, vetro borosilicato o vetro soffiato - Metal frame, borosilicate glass or blown glass
 Monture en métal, verre borosilicaté ou verre soufflé - Metall, Borsilicatglas oder geblases Glas

IT - L'illuminatore è provvisto di un circuito integrato a LED da 8W/14W protetto da un disco di metacrilato. Sotto questo disco è presente una levetta che permette all'utente di selezionare la temperatura colore della luce desiderata (2700K-3000K-4000K) creando configurazioni di illuminazione altamente personalizzate.

EN - The illuminator is equipped with an 8W/14W integrated LED circuit protected by a methacrylate cover. Under this cover, there is a smaller lever that allows the user to select the desired light color temperature (2700K-3000K-4000K) creating highly customized lighting configurations

FR - L'illuminateur est équipé d'un circuit LED intégré de 8W/14W protégé par une couverture en méthacrylate. Sous cette couverture, il y a un petit levier qui permet à l'utilisateur de sélectionner la température de couleur de lumière désirée (2700K-3000K-4000K) créant des configurations d'éclairage hautement personnalisées.

DE - Das Leuchtelement ist mit einer integrierten 8W/14W LED Platine ausgestattet, die durch eine Methacrylat-Abdeckung geschützt ist. Unter dieser Abdeckung befindet sich ein kleiner Hebel, mit dem der Benutzer die gewünschte Lichtfarbtemperatur (2700K-3000K-4000K) auswählen kann, wodurch hochgradig angepasste Beleuchtungskonfigurationen entstehen.

BASTA UNA PAROLA!

Lampade a controllo vocale

Gli assistenti vocali **Amazon Alexa** e **Google Home** sono ormai di uso comune nella gestione dell'illuminazione della casa e non solo. Le lampade a simbolo "Smartluce" che Fabas propone sono compatibili con l'utilizzo di alcune lampade a catalogo attraverso i comandi vocali che, interagendo attraverso la rete wi-fi, permettono di gestire la casa in modo smart e dinamico. **Cerca nel catalogo il simbolo Smartluce!**

ONE WORD IS ENOUGH!

Light voice control

The voice assistants **Amazon Alexa** and **Google Home** are commonly used in lighting home management and for many other functions. The Smartluce symbol lamps that Fabas offers are compatible through voice control which allows you to manage your home in a smart and dynamic way interacting through wi-fi networks. **Look for Smartluce symbol in the catalogue!**

SMARTLUCE INTEGRATO

Nelle pagine dove trovi il logo Smartluce integrato i prodotti possono essere già forniti con l'accessorio Smartluce. Per ordinare i prodotti con l'accessorio integrato dovrai semplicemente aggiungere in fondo al codice del prodotto scelto il suffisso "-01".

Ad esempio: qualora volessi ordinare la plafoniera BARD codice **3394-61-102**, con l'accessorio Smartluce integrato il codice diventa **3394-61-102-01**

SMARTLUCE COMPATIBILE

Per le lampade che hanno il logo Smartluce compatibile occorre indicare nell'ordine il codice della lampada e separatamente il codice dell'accessorio sotto riportato:

3572-00-001

Accessorio dimmerabile nel caso di apparecchio dimmerabile

3572-00-002

Accessorio ON/OFF nel caso di apparecchio non dimmerabile

3572-00-006

Accessorio dimmerabile solo per art. **3508-45, 3508-48, 3743-40 e 3743-46**

PER LAMPADINE CON PORTALAMPADA E27 O G9

Con lampadine E27 o G9 non dimmerabili, utilizzare l'accessorio ON/OFF **3572-00-002**.

Con lampadine E27 o G9 dimmerabili, utilizzare obbligatoriamente l'accessorio **3572-00-001**.

Il corretto funzionamento della dimmerabilità è dipendente dalla qualità dell'elettronica contenuta nella lampadina.

PERCHÈ SCEGLIERE SMARTLUCE?

Caratteristiche

1. Le nostre lampade "SMARTLUCE" sono progettate per parlare direttamente con la tua rete wi-fi attraverso l'intelligenza artificiale delle piattaforme AMAZON o GOOGLE.
2. Non hanno bisogno di accessori o gateway.
3. Non hanno bisogno di bridge o di altri accessori per controllare via assistente vocale le nostre lampade.
4. Non servono telecomandi o app per controllare le lampade.
5. Puoi controllare le nostre lampade dal tuo smartphone attraverso internet anche quando sei lontano da casa.

Funzionalità

1. Si può utilizzare normalmente l'interruttore di accensione/spengimento.
2. Si può cambiare l'intensità luminosa, accendere e spegnere attraverso la app SMARTLUCE Fabas disponibile per ANDROID/IOS.
3. Si può dimmerare, accendere e spegnere le proprie luci attraverso il sito web www.smartluce.com da qualunque parte del mondo.
4. Si può controllare le lampade dagli assistenti vocali GOOGLE HOME e ALEXA senza bisogno di Gateway.

Possibilità di utilizzo

1. Accendere una lampada o tutte le lampade.
2. Variare l'intensità della luce della lampada.
3. Programmare vari scenari, ad esempio momenti diversi della giornata.
4. Controllare gruppi di lampade.
5. Gestire la lampada Fabas insieme ad un ecosistema di altri prodotti e produttori (lampade, prese, eccetera).
6. Non servono telecomandi dedicati o app per controllare le lampade.

INTEGRATED SMARTLUCE

When you find the integrated Smartluce logo it means that the products may have the built-in accessory. To order products with the integrated accessory, just enter the product code chosen with the suffix "-01".

For example: should you wish to order the BARD ceiling lamp code **3394-61-102**, with the integrated Smartluce accessory the code becomes **3394-61-102-01**

COMPATIBLE SMARTLUCE

Should you wish to order lamps that have the compatible Smartluce logo you must indicate in the order the code number of the lamp and the code of Smartluce accessory separately by using the code below:

3572-00-001

Dimmable accessory in case of dimmable lighting

3572-00-002

ON/OFF accessory in case of non-dimmable lighting

3572-00-006

Dimmable accessory only for item **3508-45, 3508-48, 3743-40 and 3743-46**

FOR LAMPS WITH E27 OR G9 LAMP HOLDERS

With not dimmable E27 or G9 bulbs, use our accessory ON/OFF **3572-00-002**.

With dimmable E27 or G9 bulbs, it is mandatory to use our accessory **3572-00-001**.

Be aware that a correct functionality of dimming depends on electronics quality contained in the bulb.

WHY CHOOSE SMARTLUCE?

Features "Smartluce"

1. Our "SMART LUCE" lamps are engineered to speak directly with your wi-fi network through the artificial intelligence of AMAZON or GOOGLE platforms.
2. They do not need accessories or gateways.
3. They do not need bridge or other accessories to control our lamps via voice assistant.
4. No remote controls or apps are required to control the lamps.
5. You can control our lamps from your smartphone through internet even when you are away from home.

Functions

1. On/off switch installed in your house can be normally used.
2. Dimming, switch on and off the light through SMARTLUCE Fabas App available for ANDROID/ IOS.
3. Dimming, turning on and off your lights through www.smartluce.com website from anywhere in the world.
4. Control the lamp lighting from GOOGLE HOME and ALEXA voice assistants without needing a Gateway.

How to use

1. Turn on a lamp or all lamps.
2. Dimming the lamp lighting.
3. Program different scenarios, for example different moments of the day.
4. Control and manage groups of lamps.
5. Manage Fabas lamp together with an ecosystem of other products and producers (lamps, sockets, etc.).
6. No need for remote or apps to control the lamps.

La dimmerazione funziona a taglio di fase: si raccomanda l'utilizzo di variatori compatibili. Alcune delle marche con prodotti compatibili sono: VARILIGHT, JUNG, BUSCH, AURORA, TCL

The dimming function works on phase cut dimmers: we recommend appropriate dimmers. Some appropriate products are manufactured by the following: VARILIGHT, JUNG, BUSCH, AURORA, TCL

La fonction de gradation fonctionne avec des variateurs à découpage de phase: nous recommandons d'utiliser des variateurs appropriés. Certains produits appropriés sont fabriqués par les sociétés suivantes: VARILIGHT, JUNG, BUSCH, AURORA, TCL

Die Dimmfunktion arbeitet sowohl mit Phasenanschnittdimmer als auch mit Phasenabschnittdimmer. Wir empfehlen geeignete Dimmer zu verwenden. Hersteller einiger geeigneter Produkte sind: VARILIGHT, JUNG, BUSCH, AURORA, TCL

Protégé contre les corps solides supérieurs à 1 mm et contre les chutes verticales de gouttes d'eau (condensation).

Schutz vor dem Eindringen von Stoffen mit einem Durchmesser von mehr als 1 mm und vor dem Eindringen von Tropfen.

IP44

Protetto contro corpi solidi maggiori di 1 mm e contro gli spruzzi.

Protected against solid objects greater than 1 mm and splashing water.

Protégé contre les corps solides supérieur à 1 mm et de giclées d'eau.

Schutz vor dem Eindringen von Stoffen mit einem Durchmesser von mehr als 1 mm und vor dem Eindringen von Spritzwasser.

Tutti i prodotti FABAS LUCE che rientrano nell'ambito di applicazione della direttiva europea compatibilità elettromagnetica E.M.C. 2014/30/UE e successive modifiche e/o della direttiva europea bassa tensione B.T. 2014/35/UE e successive modifiche, soddisfano i requisiti richiesti e recano la marcatura "CE".

All FABAS LUCE products fall within the range of application of the European electromagnetic compatibility E.M.C. directive 2014/30/UE and subsequent amendment and/or the European low voltage directive B.T. 2014/35/UE and subsequent, meet the required specifications and bear "CE" labelling.

Tous les produits FABAS LUCE appartenant au champ d'application de la directive européenne compatibilité électromagnétique E.M.C. 2014/30/UE et modifications successives et/ou de la directive européenne basse tension B.T. 2014/35/UE et modification successive remplissent les conditions prévues et portent le marquage "CE".

Alle Produkte von FABAS LUCE, die unter das Anwendungsgebiet der europäischen Richtlinien der elektromagnetischen Kompatibilität E.M.C. 2014/30/UE und nachfolgende Änderungen und/oder der europäischen Richtlinie der Niederspannung B.T. 2014/35/UE und nachfolgende Änderung fallen, entsprechen den erforderlichen Eigenschaften und tragen das "CE" -Kennzeichen.

Lampada la cui protezione contro la scarica elettrica non si basa solo sull'isolamento di base dell'apparecchio, ma su un ulteriore sistema di sicurezza che consiste nel collegamento dei componenti conduttivi accessibili ad un conduttore di sicurezza (messa a terra) facente parte dell'impianto elettrico.

Luminaire in which protection against electrical shocks is not just based on the basic insulation but also on an additional safety precautions consisting of connecting the accessible conductive parts to a safety conductor (earth), that is included in the electrical system.

L'appareil d'éclairage dans lequel la protection contre des chocs électriques n'est pas simplement basée sur l'isolation principale mais également sur des mesures de sécurité additionnelles en consistant à relier les parties conductrices accessible à un conducteur de sûreté (la terre), celui inclus dans le système électrique.

Leuchten in denen der Schutz gegen Stromschläge nicht nur auf der grundlegenden Isolierung basiert ist, sondern auch auf einer zusätzlichen Sicherheitsvorkehrung, bestehend aus den Anschluss der berührbaren leitfähigen Teile zu einem Schutzleiter (Erde), der in elektrischem System enthalten ist.

Apparecchio omologato in classe II, con cablaggio a doppio isolamento. Durante l'installazione, tagliare il cavo di terra.

Class II certified equipment, with double insulated wiring. During installation, cut earth wire.

Appareil homologué en Classe II, avec câblage à double isolation. Pendant l'installation, couper le câble de terre.

In Klasse II zugelassene Apparate mit doppelt isolierter Verkabelung. Während der Montage schneiden sie das Erdekabel.

In caso di sostituzione della lampadina, utilizzarne una auto-protetta, che non necessita di schermo di protezione.

In case of bulb replacement, use the auto-protected one, which doesn't need any other protection glass.

Dans le cas du remplacement de l'ampoule, utiliser l'une auto-protégée, laquelle n'a pas besoin de autre verre de protection.

Sollte die Birne ersetzt werden, die selbstbeschützende Birne benutzen, die kein weiteres Schutzglas braucht.

Apparecchio in cui la protezione contro la scossa elettrica si basa sull'alimentazione a bassissima tensione di sicurezza (SELV) e in cui non si producono tensioni superiori alla stessa.

A luminaire in which protection against electric shock relies on supply at safety extra-low voltage (SELV) and in which voltages higher than those of SELV are not generated.

Un appareil d'éclairage dans lequel la protection contre la décharge électrique se fonde sur l'approvisionnement à la très-basse tension de sûreté (SELV) et dans quelles tensions plus haut que ceux de SELV ne sont pas produits.

Eine Beleuchtung, in der Schutz gegen Elektroschock auf Versorgungsmaterial an der sehr-niedrigen Spannung der Sicherheit (SELV) beruht und in in welchen Spannungen höher, als die von SELV werden nicht erzeugt.

Il simbolo indica la non idoneità degli apparecchi al montaggio diretto su superfici normalmente infiammabili. ATTENZIONE: l'apparecchio non può essere installato su superfici in legno o rivestite con tappezzeria. Se vengono installate lampadine LED o fluorescenza con potenza pari o inferiore a 20W l'apparecchio è da considerarsi IDONEO a essere installato su superfici normalmente infiammabili.

The symbol indicates that the fixture is not suitable for assembly directly on normally inflammable surfaces. WARNING: the fixture can not be fixed on wall in wood or covered by wallpaper. If they are equipped with LED or fluorescent bulbs with power equal to or less than 20W the fixture is considered SUITABLE to be installed on flammable surfaces.

Le symbole indique que cet Appareil ne doit pas être monté directement sur des surfaces normalement inflammables. ATTENTION: l'appareil ne doit pas être monté sur les surfaces revêtu de bois ou de tapisserie (surfaces normalement inflammables). S'il est équipé avec des ampoules LED ou fluorescents avec une puissance inférieure à ou égale à 20W l'appareil est considéré adapté pour être installé sur les surfaces inflammables.

Die Leuchte ist nicht dazu geeignet, direkt auf normal entflammbaren Oberflächen installiert zu werden. ACHTUNG: das gerät kann nicht auf holz- oder mit tapetenpapier belegten oberflächen montiert werden. Bei Bestückung der Leuchte mit LED- oder Fluoreszenz-Leuchtmitteln mit einer Leistung von maximal 20 Watt kann das Gerät an entflammbaren Oberflächen montiert werden.

condizioni generali di vendita

1. Premessa

1.1) Le presenti condizioni generali di vendita costituiscono parte integrante di tutti i contratti di vendita conclusi tra l'Acquirente (indicato in calce) ed il Venditore, FABAS LUCE S.p.A., con sede in Via Luigi Talamoni 75 – 20861 – Brugherio (MB) Italia, Tel. +39039890691 Fax +39039214208, mail info@fabasluce.it, P.IVA e cod.fisc. IT 10725990153 (di seguito indicata come FABAS), qualsiasi sia la forma con la quale gli stessi ordini vengono stipulati (e-mail, PEC, fax, raccomandata).

2. Accettazione

2.1) L'ordine deve essere effettuato dall'Acquirente con uno dei mezzi di cui all'articolo 1.1.
2.2) Gli ordini si considerano accettati e la vendita perfezionata al momento in cui FABAS invia all'Acquirente la conferma scritta dei termini e condizioni specifiche di vendita.
2.3) Ai sensi dei termini della vendita sono da considerare come integrate anche le condizioni di vendita riportate nella relativa fattura emessa da FABAS.
2.4) È espressamente esclusa l'applicabilità di eventuali condizioni generali di vendita dell'Acquirente e/o di qualunque altro documento equipollente che dovesse essere emeso da quest'ultimo.
2.5) Le presenti condizioni generali hanno durata a tempo indeterminato, salvo specifico recesso di una parte da comunicarsi per iscritto con preavviso non inferiore a 6 (sei) mesi. La comunicazione di recesso non pregiudica le lavorazioni e/o gli ordini in corso o per le quali siano già stati perfezionati gli ordini, con obbligo in capo all'Acquirente alla corresponsione integrale dei corrispettivi per queste pattuiti.

3. Luogo e modalità di resa

3.1) Le forniture devono essere consegnate secondo i termini di resa INCOTERMS 2020 specificati nella offerta di FABAS e/o nella conferma d'ordine.
3.2) È onere dell'Acquirente mettere tempestivamente a disposizione del Venditore tutte le informazioni ed i dati necessari per dare esecuzione alla fornitura; eventuali ritardi da parte dell'Acquirente comporteranno automaticamente una corrispondente proroga dei termini di consegna.

4. Termini di consegna

4.1) I termini temporali di consegna riportati nell'ordine o nella fattura sono da intendersi a titolo indicativo e non perentorio; pertanto, il ritardo "non rilevante" nell'evasione dell'ordine da parte di FABAS non potrà costituire motivo di annullamento dell'ordine stesso da parte dell'Acquirente e non darà diritto a quest'ultimo di richiedere a FABAS alcun risarcimento e/o indennizzo di sorta.
4.2) Si considera non rilevante un ritardo nell'evasione dell'ordine non superiore a n. 30 giorni lavorativi.
4.3) Nel caso si verifichino cause di forza maggiore, si applicheranno le norme di cui all'art. 1218 del Codice Civile (Codice Civile - R.D. n. 262/1942) e ss cc, fermo restando che FABAS si adopererà al meglio delle sue possibilità per limitare gli effetti negativi conseguenti dalla intervenuta impossibilità della prestazione.
4.4) Sono da considerarsi "cause di forza maggiore" a titolo esemplificativo, ma non esaustivo, i seguenti eventi: fenomeni eccezionali ed avversi (sisma, alluvione, maremoto, incendio, alluvione, frana, altre calamità naturali), altri eventi esterni imprevedibili (scioperi selvaggi dei mezzi di trasporto, serrate sindacali, guerre, atti di terrorismo, provvedimenti dell'autorità amministrativa e/o giudiziaria, furti di materie prime o prodotti finiti), shortage di materiali, ritardi e/o problematiche connesse ai trasporti.
4.5) Il contratto di vendita si intenderà risolto di diritto nel caso in cui l'Acquirente non provveda al ritiro della merce presso il luogo di consegna pattuito entro 15 giorni successivi alla data concordata per la consegna, con pieno diritto per FABS di richiedere il risarcimento dei danni e delle spese.

5. Qualità della merce

5.1) FABAS garantisce che la merce consegnata è conforme alle caratteristiche prescelte dall'Acquirente; a quelle indicate nelle proprie schede tecniche e cataloghi, agli standard eventualmente prescritti dalla Legge Italiana e dell'Unione Europea attualmente vigenti, anche in materia di sicurezza.
5.2) La merce fornita da FABAS è esente da vizi o difetti che la rendano inidonea all'uso per cui è stata fabbricata ed a cui è normalmente destinata (uso indicato nel sito, nel catalogo e nelle schede tecniche), a meno che l'Acquirente non abbia espressamente ordinato merce con particolari caratteristiche extra-catalogo, non richiamate dalle schede tecniche. In tale ultima ipotesi FABAS non si assume alcuna responsabilità per quanto possa verificarsi in conseguenza dell'utilizzo di prodotti modificati su esplicita richiesta dell'Acquirente.
5.3) FABAS non effettua vendite su campione o su tipo campione. I campioni eventualmente forniti da FABAS o richiesti dall'Acquirente non comportano per FABAS le garanzie qualitative ritualmente previste dalla Legge per prodotti venduti sul mercato e gli obblighi indicati al seguente art. 6.
5.4) La merce viene venduta e consegnata in imballaggi conformi alla Legge.
5.5) FABAS non assume alcuna responsabilità sul mantenimento delle caratteristiche qualitative del prodotto fornito qualora lo stesso, dopo la consegna, sia stato manipolato e/o trasformato dall'Acquirente senza che quest'ultimo abbia preventivamente consultato FABAS e richiesto la sua autorizzazione ad intervenire. In assenza di esplicita autorizzazione di FABAS, in caso di intervento dell'Acquirente, quest'ultimo perderà ogni diritto alla garanzia.

6. Reclami e diritti dell'Acquirente

6.1) Nel caso in cui si verificasse un vizio o difformità qualitativa tra il prodotto consegnato e quello preventivamente ordinato, l'Acquirente dovrà darne immediata comunicazione a FABAS denunciando ai sensi della normativa vigente in forma scritta, entro 8 giorni di calendario dal ricevimento della merce o dalla scoperta del fatto (per mezzo di e-mail o fax al n +390392142208, o e-mail all'indirizzo info@fabasluce.it) i vizi di non conformità rispetto alle caratteristiche tecniche indicate da FABAS. La garanzia è fornita per un periodo di 24 (ventiquattro) mesi decorrenti dalla data di spedizione dei prodotti, fatto salvo il caso che nel catalogo prodotti di FABAS non siano indicati termini di validità di garanzia differenti. In caso di reclamo, l'Acquirente dovrà in ogni caso astenersi dall'utilizzare il prodotto contestato, che dovrà essere idoneamente conservato onde consentire a FABAS di poter eseguire tutti i controlli e analisi opportune sulla merce contestata. Ogni denuncia da parte dell'Acquirente di vizi, difetti o difformità dovrà essere accompagnata e provata, a pena di inefficacia, da documentazione fotografica o da equipollente modalità riproduttiva, che ne certifichi la sussistenza.

6.2) In caso di fondatezza del reclamo FABAS provvederà, in primo luogo, a riparare a proprie spese il prodotto risultato non conforme o difettoso ovvero, a rifonderne il prezzo,

2. Accettazione

7. Prezzi e pagamenti

7.1) I prezzi di vendita dei prodotti FABAS sono quelli risultanti dalle fatture pro-forma o dalle fatture definitive di acquisto.
7.2) Le modalità ed i termini di pagamento sono quelli pattuiti e riportati nella fattura definitiva, o nella pro-forma, o nei DDT emessi da FABAS.
7.3) Sarà facoltà del Venditore modificare i corrispettivi pattuiti, anche in corso di esecuzione, in caso di aumento dei costi delle materie prime superiore al 10%. In tutti i predetti casi il Venditore provvederà a darne notizia all'Acquirente, indicando le ragioni e l'adeguamento del corrispettivo, osservato un congruo preavviso.

8. Mancato o ritardato pagamento

8.1) In caso di mancato o ritardato pagamento anche parziale, rispetto alla scadenza pattuita ed indicata in fattura verranno applicate le norme di cui al D.Lgs. 09.10.2002 n.231, ivi comprese quelle attinenti la decorrenza degli interessi ed il saggio degli stessi.
8.2) Eventuali ritardi o inadempimenti nel pagamento del corrispettivo, anche per una sola fattura, legittimeranno il Venditore a sospendere ogni attività. Dal momento in cui il corrispettivo precedentemente non pagato nei termini concordati giunga nella disponibilità del Venditore, questi riprenderà le attività di produzione/fornitura in un tempo ragionevolmente compatibile con il proprio ciclo produttivo. Il periodo di tempo in cui le forniture sono state oggetto di sospensione sarà automaticamente aggiunto ai termini di consegna concordati, o a quelli normalmente attesi in relazione alle lavorazioni concordate.

9. Responsabilità di FABAS

9.1) In nessun caso FABAS sarà responsabile per danni indiretti, perdite di profitti/affari/ opportunità o perdita di avviamento.

10. Trasferimento di rischio e proprietà

10.1) Il rischio di perdita o danneggiamento della merce fornita sarà trasferito in capo all'Acquirente alla stregua dei termini di resa Incoterms 2020 pattuiti.
10.2) La proprietà della fornitura sarà trasferita all'Acquirente successivamente al pagamento integrale da parte di quest'ultimo del corrispettivo pattuito.

11. Proprietà intellettuale, riservatezza e privacy

11.1) Ciascuna parte si obbliga a mantenere la più totale riservatezza riguardo ad ogni informazione, dato (anche tecnico), documento, processo di produzione, progetto, know-how, disegno, software, strategia commerciale, prezzo, cliente e più in generale attività dell'altra parte (le "Informazioni Riservate"), dei quali sia venuta o verrà a conoscenza in fase di trattativa precontrattuale o durante l'esecuzione del presente rapporto contrattuale.
11.2) Le parti potranno utilizzare le Informazioni Riservate al solo ed unico fine di correttamente adempiere alle obbligazioni previste dal presente rapporto contrattuale. In particolare, ed a titolo esemplificativo, le parti non potranno diffondere né comunicare a terzi le Informazioni Riservate, a meno che non sia previsto da disposizioni di legge, regolamentari e/o da richieste di autorità pubbliche e/o giudiziarie.
11.3) Le parti si impegnano ad ogni modo a far osservare i medesimi obblighi di riservatezza ai dipendenti/collaboratori/funzionari propri che siano venuti o verranno a conoscenza delle Informazioni Riservate, garantendone l'adempimento anche quale promessa del fatto di terzo ai sensi dell'articolo 1381 cod. civ.
11.4) Ciascuna parte si obbliga, a semplice richiesta dell'altra Parte, a riconsegnare tutti i documenti o altro materiale contenente le Informazioni Riservate, in qualsiasi forma posseduti, ovvero a distruggere e certificare la distruzione di detto materiale, nonché a cancellare o distruggere qualsiasi copia o registrazione delle Informazioni Riservate effettuata su computer o attraverso qualsiasi altro strumento e supporto informatico.
11.5) I diritti di privativa industriale e/o intellettuale, compreso il relativo know-how, nonché ogni risultato suscettibile di formare oggetto di diritti di privativa, elaborati, forniti, inglobati/ricompresi nella merce, o comunque comunicati da FABAS all'Acquirente, sono e restano di esclusiva proprietà di FABAS.
11.6) Le Parti si danno atto di essersi reciprocamente informate ed autorizzate al trattamento dei dati personali, ai sensi del D. Lgs. n. 196/2003 (e s.m.i.) e del Regolamento UE 679/2016 (e s.m.i.), dichiarandosi all'uopo edotte dei diritti conferiti dalle predette disposizioni di legge, in relazione agli adempimenti connessi all'esecuzione del presente rapporto contrattuale.

12. Legge applicabile e Foro competente

12.1) Le presenti condizioni generali ed i singoli rapporti di fornitura sono disciplinati dalla legge italiana. È esclusa l'applicazione della "Convenzione di Vienna del 1980 sulla vendita internazionale di merci" e di altre convenzioni, regolamenti o norme di diritto internazionale relative alla vendita di merci e/o alla fornitura (anche di servizi).
12.2) Per tutte le controversie derivanti dall'interpretazione, o dall'esecuzione del presente rapporto contrattuale viene pattuita la competenza esclusiva del Foro di Monza (Italia).

general sales conditions

1. Premise

1.1) The following general sales conditions are essential part of all sale contracts concluded between the Purchaser and the Seller, FABAS LUCE S.p.A., located in Via Luigi Talamoni 75 - 20861 - Brugherio (MB) Italy - Pho. +39039890691 Fax +390392142208, mail: info@fabasluce.it, VAT N. IT10725990153 (hereinafter referred to as FABAS), no matter which procedure the sale orders are stipulated between the Parties (e-mail, registered e-mail , fax, registered letter).

2. Acceptance

2.1) Orders must be placed by the Purchaser through one of the procedures listed in 1.1.
2.2) Orders will be deemed accepted and the sale executed when FABAS will send the written confirmation for the specific order to the customer.
2.3) The Parties agree to integrate the terms of sale also with the conditions issued by FABS on any sale invoice.
2.4) applicability of any general conditions of sale of the Purchaser and / or any other equivalent document that may be issued by the latter is expressly excluded.
2.5) These general conditions have an indefinite duration; each party is in any case entitled to freely withdraw from these general conditions by means of written notice to be sent at least 6 (six) months in advance. Such withdrawal does not affect all work and/or in progress or for which orders have already been completed, with the Purchaser being obliged to pay in full the consideration agreed upon.

3. Delivery place and terms

3.1) The goods must be delivered according to the INCOTERMS 2020 specified in the offer sent by FABAS and/or in the order confirmation.
3.2) It is the Purchaser's responsibility to promptly make available to the Seller all the information and data necessary to execute the supply; any delays on the part of the Purchaser will automatically result in a corresponding extension of the delivery terms

4. Delivery

4.1) Delivery time agreed for the products on the sale orders and issued on the final invoices must be considered as a reference but not as a rigid indication; therefore a "not relevant" delay on the delivery of the ordered products, made by FABAS, must not be considered by the Purchaser as a breach of the contract. Therefore in this last case the Purchaser will not have any right to claim any compensation and/or indemnity to FABAS.
4.2) On the basis of the present terms of sale it is deemed "not relevant" a delay not exceeding n. 30 working days.
4.3) Where force majeure events occur, the rules of Article 1218 of the Italian Civil Code (Codice Civile – R.D. n. 262/1942) must be applied, nonetheless DGA will make all efforts to limit the negative effects resulting from the supervening impossibility of performance.
4.4) The following events are deemed "force majeure events" as an example (but not as an exhaustive list): adverse and exceptional phenomena (earthquake, flood, tsunami, fire, flood, landslide and other natural disasters), other unforeseeable external events (wildcat strikes of transport services, strikes or lockouts, war, act of terrorism, provisions of administrative and judicial authorities, theft of raw materials or finished products, exaggerated increases in the prices of raw materials), shortage of materials, delays and / or problems related to transport
4.5) Any sale agreement shall be deemed terminated in the event that the Purchaser fails to pick up the goods at the agreed place of delivery within 15 days after the agreed delivery date. In this case FABAS is entitled to claim compensation for damages and costs.

5. Goods quality

5.1) FABAS ensures that the delivered products fully comply with the features selected by the Purchaser; with the characteristics indicated in the technical data sheets and catalogues and with the standards prescribed by Italian and European Union Laws currently in force, including all the mandatory safety regulations.
5.2) The goods supplied by FABAS are free from defects that make such goods unfit or unable for the use for which they were manufactured or which is normally intended to (uses indicated on the website, in the catalogues and in the technical data sheets), unless the Purchaser has expressly ordered goods with special features, not included in the sale catalogues or not mentioned by the technical specifications. In this last case FABAS does not assume any liability for what may occur as a result of the modifications required on the products by the Purchaser.
5.3) FABAS does not process sales of samples. Samples provided by FABS or requested by the Purchaser shall not oblige FABAS to provide the same standard quality warranty prescribed by the Law and by the following art. 6 for products regularly sold on the market.
5.4) The goods are packaged in accordance with the applicable laws.
5.5) FABAS does not assume any responsibility for the maintenance of products quality, in case the same products after the delivery have been modified and/or transformed by the Purchaser without the latter's prior consultation and authorization of FABAS. In absence of explicit authorization of FABAS, the Purchaser will lose all warranty rights.

6) Complaints and rights of the Purchaser

6.1) In case of defects of the delivered products, the Purchaser shall immediately send a prior and written notice of complaint to FABAS, in accordance with the Laws, within 8 days after the receipt of the goods or the acknowledgement of the defect (through registered letter, fax to +390392142208, or e-mail at info@fabasluce.it) mentioning any single element of non-compliance with the technical specifications of FABAS catalogues. Warranty is provided for a period of 24 (twentyfour) months starting from the shipment date, unless different guarantee terms are indicated in the FABAS product catalogue. In the event of a complaint, the Purchaser shall in any case refrain from using the disputed product, which must be properly stored in order to allow FABAS to be able to perform all appropriate checks and analyses on the disputed goods. Any complaint by the Purchaser of flaws, defects or discrepancies must be accompanied and proven, under penalty of ineffectiveness, by photographic documentation or an equivalent reproductive method, which certifies their existence.
6.2) In case of confirmed defects, FABAS will first repair at its own expenses the defective item and then, in case the repair is not possible, will refund the cost of the purchase. In any case, it is understood that the guarantee only includes the supply by FABAS of materials necessary for the repair works; any further activity (including interventions and on-site installation) will therefore be the sole responsibility and expense of the Buyer.
6.3) No compensation claim for any direct and/or indirect damage may be made by the Purchaser against FABAS, in case FABAS' conduct complies with the above mentioned art. 6.1, 6.2.

2. Prices and payments

7.1) FABAS products sale prices are specifically indicated in the pro-forma invoices and/ or in the final sales invoices.
7.2) Final conditions and terms of payment are the ones agreed and issued in the final invoices, or in the pro-forma invoices, or in the Delivery Note issued by FABAS.
7.3) The Seller will be entitled to modify the agreed fees, even during execution of the contract, in the event of an increase in the cost of raw materials exceeding 10%. In all the aforementioned cases, the Seller will notify the Purchaser, indicating the reasons and the adjustment of the consideration, subject to adequate notice.

8. Failed or delayed payment

8.1) In case of failed, delayed or partial payments with respect to the agreed deadline and indicated on the invoice., the rules referred to in Legislative Decree 09.10.2002 n. 231 will be applied, including those relating to the effective date of interest and interest rates .
8.2) Any delays or non-fulfillment in payment of the consideration, even for a single invoice, will entitle the Seller to suspend all activities. As soon as the consideration previously not paid within the agreed terms reaches the Seller's availability, the Seller will resume production / supply activities in a time reasonably compatible with its production cycle. The period of time in which the supplies have been suspended will be automatically added to the agreed delivery terms, or to those normally expected in relation to the agreed processes.

9. FABAS liability

9.1) In no event will FABAS be liable for indirect damages, loss of profits / business / opportunity or loss of goodwill.

10.Transfer of risk and ownership

10.1) Risk of loss or damage to the goods supplied will be transferred to the Purchaser in accordance with the Incoterms 2020 agreed upon.
10.2) Ownership of the goods will be transferred to the Purchaser after full payment of the contract price.

11. Intellectual property, confidentiality and privacy

11.1) Each party undertakes to maintain complete confidentiality regarding any information, data (including technical), document, production process, project, know-how, design, software, commercial strategy, price, customer and more generally activities of the other party (the "Confidential Information"), of which it has come or will become aware of during the pre-contractual negotiation phase or during the execution of this contractual relationship.
11.2) The parties may use the Confidential Information for the sole purpose of correctly fulfilling the obligations set out in this contractual relationship. In particular, and by way of example, the parties may not disseminate or communicate Confidential Information to third parties, unless required by law, regulations and / or requests from public and / or judicial authorities.
11.3) The parties undertake in any case to ensure compliance with the same confidentiality obligations by their employees / collaborators / officials who have come to or will become aware of the Confidential Information, guaranteeing their fulfillment also as a promise of the fact of a third party pursuant to article 1381 of the Italian Civil Code.
11.4) Each party undertakes, at the simple request of the other Party, to return all documents or other material containing the Confidential Information, in any form it possesses, or to destroy and certify the destruction of said material, as well as to cancel or destroy any copies or recording of Confidential Information carried out on a computer or through any other computer tool and support.
11.5) Industrial and / or intellectual property rights, including the related know-how, as well as any result likely to be the subject of proprietary rights, processed, supplied, incorporated / included in the goods, or in any case communicated by FABAS to the Purchaser, are and remain the exclusive property of FABAS.
11.6) The Parties acknowledge that they have mutually informed and authorized the processing of personal data, pursuant to Legislative Decree no. 196/2003 (as amended) and EU Regulation 679/2016 (as amended), and they declare themselves for this purpose to be aware of the rights conferred by the aforementioned provisions of law, in relation to the obligations related to the execution of this contractual relationship.

12. Applicable law and jurisdiction

12.1) These general conditions and the specific supply relationships are governed by Italian law. The application of the "Vienna Convention of 1980 on the International Sale of Goods" and other conventions, regulations or rules of international law relating to the sale of goods and / or the supply (also of services) is excluded.
12.2) For all disputes arising from the interpretation or execution of this contractual relationship, the parties submit to the exclusive jurisdiction of the Court of Monza (Italy).

Allgemeine Verkaufsbedingungen

1. Vorwort

1.1) Diese allgemeinen Verkaufsbedingungen sind Teil aller zwischen dem Käufer (unten angegeben) und dem Verkäufer, FABAS LUCE S.p.A., mit Sitz in Via Luigi Talamoni 75 - 20861 - Brugherio (MB) Italia, Tel. +39039890691 Fax +39039214208, E-Mail info@fabasluce.it - St.-Nr. und USt.-IdNr. IT 10725990153 (folgend FABAS) geschlossenen Kaufverträge, unabhängig von der Auftragsart (E-Mail, PEC, Fax, Einschreiben).

2. Vertragsabschluss

2.1) Die Bestellung muss vom Käufer auf eine der in Artikel 1.1 genannten Arten aufgegeben werden.

2.2) Die Bestellung gilt als angenommen und der Verkauf als abgeschlossen, sobald FABAS dem Käufer eine schriftliche Bestätigung der spezifischen Verkaufsbedingungen übermittelt.

2.3) Die in der Rechnung von FABAS aufgeführten Bestimmungen gelten ebenfalls als Bestandteil der Verkaufsbedingungen.

2.4) Die Geltung allgemeiner Verkaufsbedingungen des Käufers und/oder anderer gleichwertiger Dokumente des Käufers wird ausdrücklich ausgeschlossen.

2.5) Die vorliegenden allgemeinen Verkaufsbedingungen sind unbefristet gültig, es sei denn, eine Vertragspartei kündigt sie ausdrücklich und schriftlich mit einer Frist von mindestens 6 (sechs) Monaten. Die Mitteilung des Rücktritts berührt nicht die laufenden oder bereits abgeschlossenen Arbeiten und/oder Aufträge, wobei der Käufer zur vollständigen Zahlung der vereinbarten Leistung verpflichtet ist.

3. Lieferung

3.1) Die Lieferung hat gemäß den im Angebot von FABAS und/oder in der Auftragsbestätigung angegebenen Lieferbedingungen INCOTERMS 2020 zu erfolgen.

3.2) Es liegt in der Verantwortung des Käufers, dem Verkäufer rechtzeitig alle für die Ausführung der Lieferung erforderlichen Informationen und Daten zur Verfügung zu stellen; etwaige Verzögerungen seitens des Käufers führen automatisch zu einer entsprechenden Verlängerung der Lieferfristen.

4. Lieferfristen

4.1) Die in der Bestellung oder in der Rechnung angegebenen Lieferfristen sind indikativ und nicht bindend; daher kann eine "unbedeutende" Verzögerung bei der Ausführung des Auftrags durch FABAS kein Grund für die Stonierung der Bestellung durch den Käufer sein und berechtigt diesen nicht, von FABAS eine Entschädigung und/oder einen Schadenersatz zu verlangen.

4.2) Als unbedeutend wird eine Verzögerung bei der Ausführung des Auftrags von nicht mehr als 30 Arbeitstagen angesehen.

4.3) Im Falle höherer Gewalt finden die Bestimmungen des Art. 1218 des italienischen Bürgerlichen Gesetzbuches (Codice Civile - R.D. n. 262/1942) und ff. Anwendung. Dabei gilt, dass FABAS sich bemüht, die negativen Auswirkungen, die sich aus der vorübergehenden Nichterfüllung ergeben, zu begrenzen.

4.4) Als "höhere Gewalt" gelten beispielsweise: außergewöhnliche und widrige Ereignisse (Erdbeben, Überschwemmung, Tsunamis, Brand, Erdbeben, andere Naturkatastrophen), andere unvorhersehbare äußere Ereignisse (Streik der Transportunternehmen, gewerkschaftliche Streiks, Kriege, Terroranschläge, behördliche und/oder gerichtliche Maßnahmen, Diebstahl von Rohstoffen oder Fertigprodukten), Materialmangel, Verzögerungen und/oder Probleme im Zusammenhang mit dem Transport.

4.5) Der Kaufvertrag gilt rechtlich als aufgelöst, wenn der Käufer die Waren nicht innerhalb von 15 Tagen nach dem festgelegten Lieferdatum am vereinbarten Lieferort abholt, wobei FABAS berechtigt ist, Schadenersatz und Kostenerstattung zu fordern.

5. Warenqualität

5.1) FABAS garantiert, dass die gelieferte Ware den vom Käufer gewünschten Eigenschaften und den in den technischen Datenblättern und Katalogen angegebenen Merkmalen sowie den vom italienischen und europäischen Recht vorgeschriebenen Normen, einschließlich der Sicherheitsnormen, entspricht.

5.2) Die von FABAS gelieferten Waren sind frei von Mängeln oder Beschädigungen, die sie für den vorgesehenen Einsatzzweck ungeeignet machen (der Einsatzzweck ist auf der Website, im Katalog und in den technischen Datenblättern angegeben), es sei denn, der Käufer hat ausdrücklich Waren mit besonderen katalogexternen Eigenschaften bestellt, die nicht in den technischen Datenblättern aufgeführt sind. In letzterem Fall übernimmt FABAS keine Verantwortung für Schäden, die sich aus der Verwendung von auf ausdrücklichen Wunsch des Käufers veränderten Produkten ergeben können.

5.3) FABAS verkauft keine Muster oder musterähnliche Produkte. Die von FABAS gelieferten oder vom Käufer angeforderten Muster implizieren für FABAS nicht die gesetzlich vorgesehenen Qualitätsgarantien für auf dem Markt verkaufte Produkte und die in Artikel 6 unten genannten Verpflichtungen.

5.4) Die Waren werden in gesetzlich vorgeschriebener Verpackung verkauft und geliefert.

5.5) FABAS übernimmt keine Verantwortung für die Aufrechterhaltung der Qualitätseigenschaften des gelieferten Produkts, wenn dieses nach der Lieferung durch den Käufer verändert und/oder umgebaut wurde, ohne dass dieser zuvor FABAS um eine Genehmigung gefragt hat. Ohne ausdrückliche Genehmigung durch FABAS verliert der Käufer bei einem solchen Fall jegliches Recht auf Garantie.

6) Mängelansprüche und Rechte des Käufers

6.1) Im Falle eines Mangels oder eines Qualitätsunterschieds zwischen dem gelieferten und dem zuvor bestellten Produkt muss der Käufer FABAS unverzüglich, innerhalb von 8 Kalendertagen nach Erhalt der Ware oder nach Feststellung des Mangels schriftlich (per Fax an Nr. +390392142208 oder per E-Mail an info@fabasluce.it) über die Nichtübereinstimmung in Bezug auf die von FABAS angegebenen technischen Merkmale informieren. Die Garantie wird für einen Zeitraum von 24 (vierundzwanzig) Monaten ab dem Versanddatum der Produkte gewährt, es sei denn, im Produktkatalog von FABAS sind andere Garantiebedingungen angegeben. Bei einer Reklamation hat der Käufer das beanstandete Produkt nicht zu benutzen und es ordnungsgemäß zu lagern, damit FABAS alle angemessenen Kontrollen und Analysen an der beanstandeten Ware durchführen kann. Jede Beanstandung von Fehlern, Mängeln oder Nichtkonformitäten durch den Käufer muss zusammen mit einem fotografischen Nachweis oder einem gleichwertigen Nachweis, der das Vorhandensein dieser Mängel bestätigt, eingereicht werden, da sonst die Reklamation unwirksam ist.

6.2) Bei berechtigter Reklamation repariert FABAS zunächst auf eigene Kosten das beanstandete Produkt oder erstattet den Preis zurück, falls eine entsprechende Reparatur nicht möglich ist. Es wird in jedem Fall davon ausgegangen, dass die Garantie ausschließlich der Lieferung von Material für die Reparatur durch FABAS umfasst; jede weitere Maßnahme

(einschließlich Eingriffe und Installation vor Ort) geht daher ausschließlich auf Kosten des Käufers.

6.3) In den in den Artikeln 6.1, 6.2 genannten Fällen kann der Käufer keinen Anspruch auf Ersatz von direkten und/oder indirekten Schäden gegenüber FABAS geltend machen, auch wenn die Reklamation berechtigt ist.

6.4) Eine Reklamation gibt dem Käufer nicht das Recht, den Vertrag sofort und einseitig zu kündigen oder die Zahlung des Produkts ganz oder teilweise zu unterlassen.

6.5) Der Artikel 6 regelt die alleinigen Gewährleistungsverpflichtungen des Verkäufers und die ausschließlichen Rechtsmittel des Käufers bei Ansprüchen wegen Mängeln an den gelieferten Produkten.

7. Preise und Zahlungsbedingungen

7.1) Die Verkaufspreise der Produkte von FABAS ergeben sich aus den Proformarechnungen oder Schlussrechnungen.

7.2) Es gelten die vereinbarten und in der Schluss- oder Proformarechnung oder in den Lieferscheinen von FABAS ausgewiesenen Zahlungsbedingungen.

7.3) Bei einer Erhöhung der Rohstoffkosten um mehr als 10% hat der Verkäufer das Recht, auch während der Ausführung die vereinbarten Preise zu ändern. In allen vorgenannten Fällen wird der Verkäufer den Käufer unter Angabe der Gründe und unter Einhaltung einer angemessenen Frist über die Anpassung der Gegenleistung informieren.

8. Nichtbezahlung oder Zahlungsverzug

8.1) Im Falle einer Nichtzahlung oder eines auch nur teilweisen Zahlungsverzugs in Bezug auf das vereinbarte und in der Rechnung angegebene Fälligkeitsdatum finden die Bestimmungen des Gesetzesdekrets Nr. 231 vom 09.10.2002 Anwendung, einschließlich der Regelungen bezüglich des Eintritts von Zinsen und deren Höhe.

8.2) Jede Verzögerung oder Nichtzahlung des Betrags, auch bei einer einzigen Rechnung, berechtigt den Verkäufer alle Tätigkeiten einzustellen. Sobald der bis dahin unbezahlte Betrag innerhalb der vereinbarten Fristen dem Verkäufer zukommt, nimmt dieser die Produktion/Lieferung in einer mit seinem Produktionszyklus vernünftigerweise zu vereinbarenden Zeit wieder auf. Die Lieferfristen werden automatisch um die Dauer der Lieferunterbrechung bzw. um die normalerweise im Zusammenhang mit den vereinbarten Arbeiten zu erwartenden Fristen verlängert.

9. Haftung von FABAS

9.1) FABAS haftet keinesfalls für indirekte Schäden, Gewinn-/Geschäfts-/Opportunitätsverluste oder Verlust des Firmenwerts.

10. Gefahrenübergang und Eigentum

10.1) Alle Risiken für den Verlust oder die Beschädigung der gelieferten Waren werden gemäß den vereinbarten Lieferbedingungen Incoterms 2020 auf den Käufer übertragen.

10.2) Der Käufer wird nach vollständiger Bezahlung der vereinbarten Gegenleistung Eigentümer der Lieferung.

11. Geistiges Eigentum, Vertraulichkeit und Datenschutz

11.1) Alle Beteiligten verpflichten sich, sämtliche Informationen, Daten (einschließlich technischer Daten), Unterlagen, Produktionsverfahren, Projekte, Know-how, Entwürfe, Software, Geschäftsstrategien, Preise, Kunden und allgemeiner die Tätigkeit des anderen Beteiligten (die "vertraulichen Informationen"), von denen sie im Rahmen der vorvertraglichen Verhandlungen oder der Durchführung dieses Vertragsverhältnisses Kenntnis erlangt haben oder erlangen werden, absolut vertraulich zu behandeln.

11.2) Die Vertragsparteien dürfen die vertraulichen Informationen einzig und allein zur ordnungsgemäßen Erfüllung ihrer Verpflichtungen aus diesem Vertragsverhältnis verwenden. Vertrauliche Informationen dürfen nicht an Dritte weitergegeben werden, es sei denn, dies ist aufgrund von Gesetzen, Vorschriften und/oder Aufforderungen von öffentlichen und/oder gerichtlichen Behörden erforderlich.

11.3) Die Vertragsparteien verpflichten sich in jedem Fall, dafür zu sorgen, dass die gleichen Vertraulichkeitsverpflichtungen von ihren eigenen Angestellten/Mitarbeitern/Beamten eingehalten werden, wobei sie deren Erfüllung auch gegenüber Dritten gemäß Artikel 1381 des italienischen Zivilgesetzbuches garantieren.

11.4) Jede Partei verpflichtet sich, auf einfaches Verlangen der anderen Partei alle Dokumente oder sonstiges Material, das vertrauliche Informationen enthält, in welcher Form auch immer, zurückzugeben oder zu vernichten, sowie alle Kopien oder Aufzeichnungen von vertraulichen Informationen, die auf einem Computer, einem sonstigen Medium oder durch einer Computerunterstützung erstellt wurden, zu löschen oder zu vernichten.

11.5) Die gewerblichen und/oder geistigen Eigentumsrechte, einschließlich des damit verbundenen Know-hows, sowie alle Ergebnisse, die Gegenstand privater Rechte sein können, die von FABAS ausgearbeitet, geliefert, in die Waren eingebaut/eingebaut oder in jedem Fall dem Käufer mitgeteilt wurden, sind und bleiben das ausschließliche Eigentum von FABAS.

11.6) Über die Verarbeitung personenbezogener Daten gemäß der Gesetzesverordnung Nr. 196/2003 (in der geänderten und ergänzten Fassung) und der EU-Verordnung 679/2016 (in der geänderten und ergänzten Fassung) haben sich die Parteien gegenseitig informiert und autorisiert und erklären, sich der Rechte bewusst zu sein, die sich aus den vorgenannten gesetzlichen Bestimmungen in Bezug auf die mit der Durchführung des vorliegenden Vertragsverhältnisses verbundenen Leistungen ergeben.

12. Rechtswahl und Gerichtsstand

12.1) Die vorliegenden allgemeinen Verkaufsbedingungen und die einzelnen Lieferbeziehungen unterliegen dem italienischen Recht. Die Anwendung des "Wiener Übereinkommens von 1980 über den internationalen Warenkauf" und anderer Konventionen, Vorschriften oder Regeln des internationalen Rechts über den Verkauf von Waren und/oder die Lieferung (auch von Dienstleistungen) ist ausgeschlossen.

12.2) Für sämtliche Streitfälle, die sich aus der Auslegung oder Durchführung dieses Vertragsverhältnisses ergeben, ist ausschließlich das Gericht von Monza (Italien) zuständig.
