EASY RUGS

collection

Gentle surface for every room

Easy rug collections offer machine tufted rugs and runners from polyester and polypropylene on antislip backing for comfortable and practical use in various spaces.

Due to easy maintenance and washing properties in home conditions, they are suitable even for high-frequency rooms. Depending on the application, you can choose between higher cut pile rugs in pastel colors made from polyester or more classical low pile runners for corridors.

Antislip rug backing

Rug backing made of felt with rubber dots reduces the risk of slipping and does not cause damage to the floor. That makes the rugs suitable for all types of parquet and laminate floors, as well as ceramic tiles.

Felt backing with rubber dots ensures additional rug stability while making sure it stays in its place, so there is no need to buy an additional non-slip underlay to put under the rug.

Soft and durable rug even machine washable

Maintenance is no longer a problem!

Rugs from Easy Rugs collections are suitable for manual and machine washing without spinning, even at home, which saves time and money. The durable material will not be damaged during the vacuuming.

It is possible to wash them manually and in the machine at 30 degrees Celsius on the sensitive material program by following the label instructions.
